MEMORANDUM FOR: Dr. Sayre Stevens

FROM : Admiral Turner

SUBJECT : Soviet TU-95 Operations in Conakry

The President tasked me to develop and provide to Secretary of State Vance specifics on Soviet TU-95 operations in Conakry. The Guinean Ambassador to the United States has denied to the President and Brzezinski that such activity takes place. He says these aircraft merely stop in Conakry on their way south to Angola and back. We should develop some specific factual proof that this is not the case.
